Lindsay Burton (Leanne) - Lindsay is so happy to be a Puff! She's a Camarillo native who's spent the previous decade doing improv and sketch comedy all around Los Angeles. These days she produces video content on her socials and writes/performs sketch comedy in LA with the team Wiggle Room at the Pack Theater and NYC with the team Model Majority, with the latter being featured on "Good Morning America" last year. She also improvises with her 3-person team Epcot Fitzgerald. Lindsay has two college degrees in Computer Information Systems and Theatre from Azusa Pacific University and uses them sometimes. She's a longtime fan of "Puffs" and is so excited to perform close to home for the first time in 10+ years! Lindsay is so grateful for the teachers and mentors who readied her for this moment. Many thanks to the family, friends, and dogs who've supported her and a shout out to the combo of Diet Coke and cheese and crackers for never letting her down.

Jim Byrnes (Director, Producer, Wigs & Small Props, Ernie Mac) – Jim is exhausted. He would like to thank Godfrey, Hero, Megan, Teddy, Christine and all the Puffs for their love and support throughout this process. Maybe next time he will only give himself two jobs. Follow him on Instagram @minimus_jimbus to find out about possible future shows or to see pictures of Transformers and also maybe GI Joes.

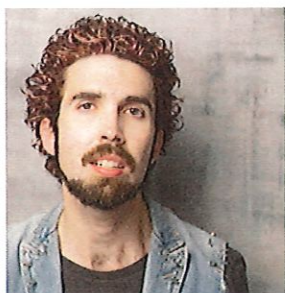

Christine (she/her), aka ChriSekaiCosplay (Large Props & Wands) - Christine is a prop designer and cosplayer from Camarillo! Previously, she built props for *The Witch's Princess* (Young Artists Ensemble), and she's excited to be working with TRANScend Youth for the very first time! In her free time, Christine enjoys building cosplays, playing video games such as Final Fantasy XIV, watching anime and being a Dungeon Master for D&D. She'd like to give a shoutout to her mother and two cats, through whom all things are made magical. Follow her and see her latest projects online @chrisekaicosplay

Kenneth Stephen Lester (Special Effects) – Kenneth is here to play, but where is he? Behind a spooky mirror? Being eaten by a snake? Flying on the wings of majestic birds? No one knows where this Actor/Writer/Game Master/Amateur Philosopher will pop out. “He’s weirdly quiet for his size,” Fellow Cast Member. “Takes ‘creepy’ as a compliment,” Another Cast Member. “He just showed up this way, but he has brought us the magic,” Undisclosed Source.

Kaitlin Maxwell (Narrator) - Kaitlin is thrilled to be returning to the Theatre on the Hill after nearly a decade! Born and raised in Thousand Oaks, she went on to receive a BFA in Acting for Stage and Screen from the USC School of Dramatic Arts, and is currently in her second year studying at Playhouse West.
